April Highlights

HOPE Office Note

Happy Spring, HOPE Families!

We're so excited for this season full of sunshine, fresh air, and fun activities! One of our big events this month is **Donuts with Grownups**—a sweet time for kids to share a special morning with a parent or another important adult in their life. Your child's teacher will share the specific date and time for your class. We hope each child can have someone there to enjoy this memorable moment with them!

Week of the Young Child was such a joy! It's amazing what can be created with a little paper, glue, paint, and a whole lot of imagination. Our teachers do such a beautiful job encouraging creativity and celebrating each child's ideas—and the results are just as special as the process.

This month also brings our **final Praise & Celebration of the year**. Freddy the Frog, Bella the Bear, Sarah Sunshine, and Ms. Caryl have brought so much joy to our students all year long. We're so grateful for the parent volunteers who bring these beloved characters to life! Thank you for helping make this tradition so meaningful. We've also been blown away by your generosity—our collection for Loudoun Hunger Relief was a huge success!

If you haven't registered for **Summer Camp** yet, the link was sent out in mid-March. This year, we're welcoming families from the larger Crossroads community too—and we can already tell it's going to be a fantastic time!

As always, please be sure to read all communication from your child's teacher and the preschool office so you don't miss any details about upcoming events and class schedules.

And as the days get warmer, we hope you're able to spend time outdoors with your little ones. We love seeing families gather after school on the playground! Just a quick reminder to supervise your child closely and help us reinforce our playground rules—like going *down* the slides, keeping the mulch on the ground, and staying off the fences. Keeping things consistent helps our kiddos know what to expect and stay safe.

Wishing you plenty of sunshine and sweet spring moments with your kids! ☐

Warmly,
Evelyn & Lesly
